

GREEN TEAM POSITIONS

Town of Flatrock

Green Team Job Ad Number: CCNLZone2-F

Project Title: The Look-Out

Project Description: The Team will work to conduct preparatory work for a proposed trail system and viewing platform. This will include conducting ground surveys and using topography maps to identify the best route for the trail; identifying optimal view planes; flagging proposed routes; and using GPS to digitally place the route on maps. The Team will also conduct several **Environmental Awareness Events**, which will include a presentation, delivery of games, arts and crafts, and other activities.

Team Leader (1 Position): The Team Leader is the day-to-day supervisor for the Green Team. As such this person is responsible for the conduct of Team Members and the work they undertake. The Team Leader ensures that the work required is properly assigned and carried out, and ensures that the project proceeds smoothly. This involves planning, maintaining discipline, daily acquisition of materials required, effective liaison with the Project Proponent and the Conservation Corps, troubleshooting, etc. A Team Leader is expected to demonstrate the ability to plan and organize and must have previous leadership and supervisory skills. This position is for eight weeks with a rate of pay \$11.00 per hour for 35 hours per week.

Team Member (3 Positions): The Team Member is an integral part of the Green Team. The Team Member follows the direction given by the Team Leader, has the ability to work well in a team environment and feels that s/he can make a positive contribution to the projects undertaken. This position is for eight weeks at \$10.00 per hour for 35 hours per week.

Qualifications for this project:

<ul style="list-style-type: none">• Willingness to work outdoors in all weather conditions• Knowledge of gardening and native flora/fauna an asset• Physical ability to perform manual labour• Experience with children and delivering children's programming an asset	<ul style="list-style-type: none">• Good organizational skills an asset• Willingness to participate in public speaking• Willingness to learn and positive work attitude• Youth aged 16-30
---	--

Additional Considerations: Physically demanding project; required to get to and from worksite; applicant must have CSA approved boots and gloves; GPS training to be provided; potential for evening and weekend work; **one person on the Team will be required to have a valid driver's licence and full-time access to a vehicle with adequate insurance.** Reimbursement for vehicle mileage is in accordance with CCNL policy.
